"Martin's detailed checklist approach in the pre-sale phase is what is critical to going to market at the right time with the listing. He creates a daily, easy "chip away" list for you to follow. Martin's calm and measured tone helps both buyers and sellers build trust during the negotiation phase. His personality, integrity and professional courtesy keeps all parties on track in an otherwise emotionally charged process. Martin's entire team helps the client with the details of buying, selling and moving (repairs, storage units, temporary rentals, staging). Every little detail that a client might get "stuck on" during the process- they swoop in and fix it!"

MARTIN M. CORREIA

TIMELESS REAL ESTATE SERVICE

EST. 2006

San Diego's Favorite Son is exactly what one thinks when you meet Martin Correia. Having been born and raised in "America's Finest City," he lives and breathes all that it has to offer by doing what he does best...making San Diego a reality for those that are looking to live within this wonderful city!

As Principal of MMC Real Estate, Martin leads "the" group of real estate consultants better known as San Diego's Favorite Team—a business based on referrals as they are constantly exceeding expectations, rather than simply meeting them. Martin loves spoiling his clients while providing sound real estate advice and guiding them through every step of the process. Having run a global sales division for a 100 million dollar software company, he has superior negotiation skills and is able to get the most out of every transaction.

Martin was selected Rookie of the Year in each brokerage he's worked under and his accolades continue to prove his stellar work ethic. Recently, he was selected as one of the Top 10 Internationally real estate agents within Coldwell Banker Residential Brokerage. As a luxury specialist, Martin seeks to provide a luxury approach to all of his clients with less focus on the value of the home, and more on the value of the client!

Martin's involvement in the community continues to be his ultimate satisfaction in giving back to a city that is so dear to him. That's why he has either lead or took part of over 12 Board of Directorships over this tenure to help support the youth of San Diego. Often quoted by Martin is: "it's not the gift that we give but what we share; for the gift without the giver is bare!"
